There is no substitute for experience. With the upcoming form of government change, West Jordan needs someone who can hit the ground running, who has already established decades-long working relationships of trust with city staff and residents. Having served as chairman of our city's Planning Commission, Board of Adjustment, Design Review Committee, Economic Development Subcommittee, Western Stampede Entertainment Subcommittee, and on General Plan, CDBG and Envisioning Committees, my understanding of how to get things done properly, frugally, and with a collaborative, friendly teamwork mentality has a proven track record of success.

I own businesses headquartered in West Jordan and my schooling centered on what is needed to serve you well and accomplish much good, with associate degrees in Political Science, Psychology and Sociology, BA in Communication/Public Relations, Master of Public Administration, Ph.D. Business Administration, and post-doctoral certificates from Harvard Business School and Stanford University in governance, leadership and negotiation.

I've been a West Jordan resident for two decades. My children were born and raised here. I've invested 11 consecutive years in Community Council and as president/president-elect of our children's elementary, middle and high school PTA/PTSA. I'm invested in family, community and service, and would be honored to represent you. www.VoteDavidPack.com
